

Dear Community Education Students,

The good news...so many of you are calling us and wanting to sign up for classes!

We are following the guidelines set forth by our District and Fresno County for what we can offer at this time. Due to this, we have many changes to our classes from what was printed in the catalog.

We have been able to convert many of our classes to Zoom. Although it might not be quite the same as meeting in person, we have had lots of success with Zoom classes. A perfect example is our senior exercise classes. These students have been logging on since March and keeping fit! They are a true inspiration!

FALL I

Some of our Zoom classes are:

- Silversneakers
- Senior Pilates
- Senior Stretch and Tone
- All of our Computer Classes
- American Sign Language
- Spanish and Spanish for Healthcare Workers
- Craft classes such as Quilting and Handmade CardMaking
- Medicare 101

Classes that we are able to hold in person:

- Golf
- Digital Photography will be held outside in a park getting hands-on experience!
- Dog Obedience
- Scuba Diving

At this time, we are mostly accepting registrations for Fall I. Things may change so keep checking back to see about our Fall II courses.

You can click Browse above to see what we have to offer!

Sincerely,

The Clovis Community Education Team
